## Dear Campers and Parents,

In the new and exciting transformation of Reinhardt College becoming Reinhardt University, we have developed a well-designed fundamental basketball camp where children will be able to learn new skills and develop their basketball abilities to the fullest. We want kids to enjoy the game of basketball and develop their talents to become a better player. We can assure you that we will work with each camper collectively and individually to ensure progress. Throughout the camp we will cover basic fundamentals of ball handling, shooting, passing and overall knowledge of the game along with fun activities to keep the campers fresh. At the right times we will have team play along with individual competitions. I look forward to you joining us for a great week of basketball.

Yours in basketball,

Jeffrey Pourchier  
Head Coach,  
Reinhardt University
